NYC's New Restaurant Openings

The new restaurant openings you should know about.

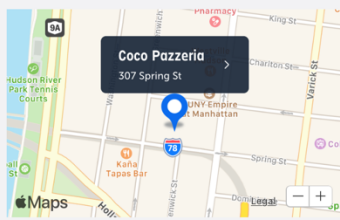

Written by
Nikko Duren

Coco Pizzeria

Coco Pizzeria is a new Italian spot in Soho from the team behind [Coco Pazzo](#) that should make you happy if you're interested in eating mini calzones filled with 'nduja, panozzi meatball sandwiches, or personal pizzas topped with things like sausage and broccolini on your couch at home. The restaurant is only open for takeout and delivery right now, but has plans to open an outdoor patio area in the spring.

307 Spring St
New York, NY
