## New NYC Restaurants and Menus: Coco Pizzeria, Sweet Chick, More

Addison Aloian | February 5, 2021 | [Food & Drink](#)

Coco Pizzeria is opening two new locations this month, one in SoHo and the other in Sutton Place.

### **Coco Pizzeria**

*307 Spring St. & 1078 First Ave. / [Website](#)*

Coco Pizzeria has two new locations: one in SoHo, which opened Jan. 29, and one in Sutton Place, which will open at the end of February. This new restaurant concept comes from the minds of Pino Luongo, Ciro Verdi and Alessandro Bandini. Venturing into the world of pizza, this restaurant promises plenty of pies, bubbles and oysters on the menu in addition to Buzzetti, panozzi and thin crust pizzas.
